Dear Ms. Wynne,

This letter is in response to your Freedom of Information Act (FOIA) request received by the U. S. Election Assistance Commission (EAC) on October 31, 2005. Your request sought a copy of various Compuware, SAIC, and RABA reports; and correspondence and documents pertaining to "The Black Box Report Security Alert: July 3, 2005."

The EAC has conducted a search of its files and does not have copies of the requested reports, nor does the EAC have any correspondence or documents pertaining to "The Black Box Report" referenced above.

If you interpret the "no records" portion of this response as an adverse action, you may appeal it to the Election Assistance Commission. Your appeal must be in writing and sent to the address noted on the above letterhead. Any appeal submitted, must be postmarked no later than 60 calendar days from the date of this letter. Please include your reasons for reconsideration and attach a copy of this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "Gavin S. Gilmour", written over a printed name and title.

Gavin S. Gilmour
Associate General Counsel

Dear FOIA Officer:

In accordance with the FOIA laws, we are hereby making the following request:

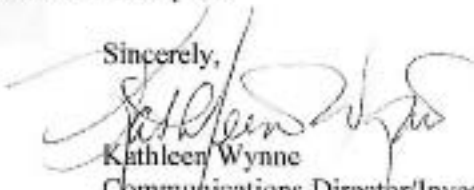

1. A copy of all versions of the Compuware Reports, as well as all Compuware Direct Recording Electronic Technical Security Re-Assessment Reports, received by the EAC regarding any and all testing performed by Compuware Corporation on all Diebold Direct Recording Electronic (DRE) voting machines dating back from July 2003 to October 31, 2005.
2. A copy of the SAIC Report regarding any and all testing performed by the SAIC on all of Diebold Direct Recording Electronic (DRE) voting machines dating back from July 2003 to October 31, 2005.
3. A copy of the RABA Report regarding any and all testing performed by RABA Technologies LLC on all Diebold Direct Recording Electronic (DRE) voting machines dating back to July 2003 to October 31, 2005.
4. All correspondence and documentation pertaining to "The Black Box Report Security Alert: July 4, 2005 Critical Security Issues with Diebold Optical Scan Design, prepared by Harri Hursti".

We would appreciate receiving these documents either in electronic or paper form, with electronic being the preferred form.

Please contact me by e-mail at your earliest convenience to inform us as to when we can expect to receive these documents, as well as to inform us of the cost incurred for duplication of these documents. My e-mail address is: Kathleen@blackboxvoting.org.

Thank you for your prompt response to this request.

Sincerely,

Kathleen Wynne
